Submitting Health Forms

How to Register · https://northernfrontier.org/resources/submitting-health-forms/

Two health forms must be filled out and submitted through our UltraCamp system.

Form 1 - Camper Health History (Parent)

The first health form is the Camper Health History (Parent) form. This form is necessary for your son to receive medical care while attending Northern Frontier. This form is filled out electronically through our online system.

Form 2 - Camper Health Physical (Physician)

A licensed physician completes the second form. It consists of a physical examination within 25 months of a camper's arrival at camp. This form is downloaded, printed, and submitted through our online system.

Directions for Health Forms

1. Complete Form 1*, Camper Health History (Parent) online through our UltraCamp system.
2. Download and print Form 2, Camper Health Physical (Physician), by entering your UltraCamp account. From the top menu, go to Additional Options, then select Document Center and download the form.
3. Bring Form 2 to the camper's healthcare provider for review and completion.
4. Upload completed Form 2 to UltraCamp before arriving at camp.

*Form 1 may be updated at any time after uploading.
